

List of confirmed speakers during the High Level Segment

As indicated in the personal invitation of minister Zakia Khattabi to this conference, if a member state, an institution or an organization is represented at the highest level possible, a specific timeslot will be allocated to present insights on the topic. The minister kindly ask you to limit the intervention to three minutes due to time constraints.

Based on this, below you will find the list of speakers in alphabetical order for the plenary on 4th and 5th March 2024. At the discretion of minister Zakia Khattabi a specific order will be made and provided to you at the start of the meeting.
